

## PaySync®

### **Selective's flexible payment program for workers compensation premiums**

Get the cash flow flexibility you need with PaySync®. Your premiums are calculated based on actual payroll, not estimates. And there are no premium down payments or installment fees. If you use any outside payroll processor, you can benefit from PaySync®.

**Want a payment plan that matches your business flow?** Signing up for PaySync® couldn't be easier. Check out the flip side to learn more.

# PaySync® for WC

## What are the benefits?

PaySync® is a cash-flow friendly method for paying eligible Selective workers compensation (WC) policy premiums

- No down payments or installment fees
- Seamless audit process

## Who's eligible?

- Businesses using any third-party payroll processor or online payroll service
- PaySync® is simply another pay plan option, so no special underwriting guidelines apply
- PaySync® WC is available in all states where Selective writes insurance except OH and IA

## How does it work?

- Sign and return a completed PaySync® WC agreement to the PaySync® Help Desk
- PaySync® Help Desk contacts you/your payroll processor by email and phone to explain the details of the program (must be set up within 10 days)
  - Payroll information may be sent to Selective by you or your payroll company
  - If using a national payroll company, you must send the payroll information
- The payroll information must be emailed to Selective each pay cycle

Within 48 hours of processing payroll:

Either you or your payroll company email the PaySync® file to:  
[paysync@selective.com](mailto:paysync@selective.com)

Within 48 hours of Selective receiving your PaySync® file:

A "Withdrawal Reminder" is emailed to you with the calculated WC Premium

48 hours later...

The WC Premium is direct-debited from your bank account and a "Confirmation Notification" is emailed to you

## Questions?

Call the PaySync® Help Desk: 877-PSYNC4U (877-779-6248) or email: [paysync@selective.com](mailto:paysync@selective.com)

**Call our agency today to keep cash on hand for when you need it most.**
